

At FREEPORT ENERGY SERVICES LTD. we have been building our reputation in the oilfield inspection and construction management services since 1998, by recruiting and supplying only the most skilled personnel in the oil and gas industry. From preliminary discussions to project completion, we can ensure a smooth interface with all project related agencies and stakeholders, whether they are in the field or the head office. We are committed to building and furthering our relationships with First Nations, project stakeholders, and the communities we work and live in, while being good stewards of the environment.

-  KNOWLEDGE
-  QUALITY
-  COMMITMENT

**“IT’S MORE THAN WIN-WIN – IT’S KNOWING THAT INTEGRITY AND OUR WORKING RELATIONSHIPS ARE INTACT AND SUSTAINED OVER TIME, BECAUSE WE HIRE THE BEST IN THE BUSINESS.”**

### PIPELINE INSPECTION
